If you're planning to visit this year's CeBIT in Hannover, don't miss our Polish ICT promotion stand!

The Polish Agency for Enterprise Development is organizing a promotion stand, where you'll be able to learn more about the ICT sector in Poland as well as innovative products and services offered by our country.

You'll find us in **hall 7 - stand E40!**

If you'd like to know more about Polish companies present at CeBIT 2017, contact us at bpp_ict@parp.gov.pl.

You can meet Polish companies also at the Future Match brokerage event, organized every year at the CeBIT fair. In 2016, 277 companies and research organisations from over 35 countries participated in this matchmaking event and met for 1000 bilateral meetings.
