Poland.Business Harbour - soft
landing for Belarusian IT companies

2020-09-23 17:02:51

If you are an IT specialist or have an IT company in Belarus (startup or SME), the Polish state offers you a soft landing procedure for you and your family.

IT experts, startups and SMEs from Belarus can benefit from a special visa and soft landing procedure in order to relocate to Poland.

You'll receive information on how to start business activity in Poland, how to move your family or where to search for financial support, investors, and other business partners.

Special web page has been created, with details [in Russian](#) and [in Belarusian](#). There you can check all the necessary information and further steps, according to your status.

Additional information is also available at the 24h infoline (+48 22 334 99 77, five days per week) and e-mail: paih24_by@paih.gov.pl.
